MUGHARREB AS A THREE YEAR OLD

MUGHARREB

... the Racehorse

Raced by H.H. Sheikh Hamdan al Maktoum and trained by Ben Hanbury in England, Mugharreb had his sole juvenile start in a 29-runner Maiden (6f) at Newmarket in October 2000 and was beaten a neck and short-head by more experienced stablemate Ajwaa and the hot favourite, the \$US1.5m yearling purchase Ishiguru (who demolished a field of maidens by 11 lengths at Naas ten days later. *Racing Post* said, "Mugharreb shaped very well and inexperience may have cost him the race".

He resumed at three in the 16-runner Hasting Maiden (8f) at Newmarket on May 6, 2001 and made no mistake, beating Askham by five lengths as the 5/4 favourite and running comparable time to the day's 1000 Guineas heroine and a full two seconds faster than the other division of the race.

The victory prompted *Racing Post* to write, "Mugharreb has something to live up to on his breeding, but looks well capable of doing so as he travelled sweetly and showed a fine burst of speed inside the final two furlongs. This colt looks the type to take the step up to Group class in his stride".

Starting 9/2 third favourite he tackled Group 1 company at his third start when sixth to Black Minnaloushe in the Irish 2000 Guineas and was then third over a mile at Sandown before reverting to sprinting.

He finished second to subsequent Group 1 winner Invincible Spirit in the Listed Champagne Stakes (6f) at Newbury when slightly hampered in running. Mill Reef stakeswinner Bouncing Bowdler was third and Prix de l'Abbaye [G1] runner-up Superstar Leo fourth. It wasn't long before Mugharreb won his stakes event as a 3YO, taking the Listed Hopeful Stakes (6f) at Newmarket. *Racing Post* commented, "It would be no surprise to see him playing a leading role in a Group 3 or Group 2 race, such as Ascot's Diadem Stakes." He met Invincible Spirit first up at York in the Duke of York Stakes [G3] (6f), going down by a neck to the 3/1 favourite and

with three Group 1 winners and several Group performers behind him, putting up "a cracking effort against a rival who already had a run this season".

Mugharreb was beaten a neck in the Champagne Stakes and then scored a strong win over 6f (1:10.70) at Yarmouth as topweight before second in the Hopeful Stakes. Mugharreb continued his racing career against the better older horses in the United Arab Emirates at five and six with form that included seconds to Imtiyaz (USA) (Equerry third), to Millennium Force and to Summoner (National Day Cup).
